

TIBET GTX WXL (wide width) RRP \$699

Updated! Handcrafted in Germany.

Our most popular hard-duty backpacking & hunting boot. Ideal for carrying heavy (25+ Kg.) loads, over long distances in rugged terrain and extreme weather conditions. The top line and tongue has been improved providing even more comfort.

- LAST: LOWA WXL (wide width)
- HEIGHT: 230mm tall.
- WEIGHT: 1800g/pair.
- COLOUR sepia/black.
- SIZES (UK) Wide fit: 6-13 (incl. ½ sizes)
- SIZES (UK) Std. width: 13.5-15 (incl. ½ sizes).
- CRAMPON COMPATIBILITY: Strap-on crampons
- UPPER: Nubuck leather – 2.4 – 2.6mm.
- LINING: Waterproof Breathable GORE-TEX® lining fully lasted to provide good conformation over the foot to reduce bunching thus providing a smooth fit, eliminating hot spots.
- FLEXFIT SYNCHRO: Allows for more natural and easy forward ankle flex and good heel fit with improved stability.
- C4 TONGUE: Patented anatomical construction to cradle the foot in comfort and especially over the instep.
- TONGUE STUD/X-LACING: Allows for better pressure distribution, centred tongue.
- I-LOCK (locking cam) lacing system for ease of lacing differentially.
- LACE SYSTEM: Ball Bearing for easy lace up and tension.
- FOOTBED: Balance Insole, with a breathable top layer, and slow reacting foam, delivers instant customization to the foot. This proprietary insole transports moisture away from the foot, eliminates pressure points, minimizes friction between foot and insole and reduces fatigue.
- CLIMATE CONTROL SYSTEM: Perforations in the boot's lining allows air to enter, pumping heat and moisture back out.
- STABILISER: **Stiff Flex** 5mm nylon, full length and width with a PU layer for total support underfoot. - 5mm heel to 5mm forefoot
- MIDSOLE: PU with SPS Dynamic TPU elements - designed to help control over-pronation and supination, reducing fatigue and potential injury when covering long distances through encouraging correct gait.
- OUTSOLE: Vibram® Masai for traction, cushioning and support underfoot on uneven, rocky terrain.
- High wall rubber rand.
